## **Brick Garden Project**

The library brick garden continues to grow!

We are pleased that nearly 200 bricks have already been purchased and installed. It's such fun to "browse the bricks" and read the engravings. The project continues and we encourage you to be part of this wonderful and lasting endeavor. Order forms are available at the library or on the library's website [www.flls.org/weedsport](http://www.flls.org/weedsport).

Place your order by April 1, 2009 to be included with the next installation.

Gift cards available upon request!
