

# Search Smarter, Not Harder!

Why waste time with search engines that can leave you sorting through tens of thousands of web pages as the result of a keyword search?  
Get quality over quantity with **Ask Us 24/7**.

**Ask Us 24/7** is a live online reference service that connects you with local and national librarians via a web-based chat interface. Chat with a reference professional who'll guide you to relevant answers. You even have access to subject experts for follow-up when you need it.

**24 hours a day, 365 days a year, and it's free!**

You deserve more than a search engine.  
Get better results with **Ask Us 24/7**, your live "research engine."
