

What is the Finger Lakes Library System?

- The Finger Lakes Library System (FLLS) is a state chartered, cooperative public library system serving the 33 public libraries in Cayuga, Cortland, Seneca, Tioga, and Tompkins Counties.
- One of 23 public library systems in New York State. FLLS serves the staff and trustees and promotes cooperation among its member libraries.
- FLLS provides vital services to its 33 member public libraries. Such services produce substantial cost savings through economics of scale, particularly in the areas of technology, cataloging, interlibrary loan, and delivery.
- FLLS provides consulting and continuing education services to its members.
- The Tompkins County Public Library serves as the Central Library for FLLS.
- An eleven member board representing the five counties oversees the administration of FLLS. Each public library is governed by its own board.
- Plan of Service information at <http://www.flls.org/about.htm>

FINGER LAKES LIBRARY SYSTEM

Mission Statement

“To stimulate, coordinate, and strengthen library and information services within Cayuga, Cortland, Seneca, Tioga, and Tompkins Counties”

119 East Green Street
