### 2. LIBRARY COLLECTION

Report holdings, additions, and subscriptions as of the end of the fiscal year reported in Part 1. Please click [here](#) to read general instructions before completing this section.

This section of the survey (2.1-2.22) collects data on selected types of materials.

It does not cover all materials (i.e., microforms, loose sheet music, maps, and pictures) for which expenditures are reported under Print Materials Expenditures, Electronic Materials Expenditures, and Other Materials Expenditures (questions 12.6, 12.7, and 12.8). Under this category report only items that have been purchased, leased or licensed by the library, a consortium, the state library, a donor or other person or entity. Included items must only be accessible with a valid library card or at a physical library location; inclusion in the catalog is not required. Do not include items freely available without monetary exchange. Do not include items that are permanently retained by the patron; count only items that have a set circulation period where it is available for their use. Count electronic materials at the administrative entity level; do not duplicate numbers at each branch.

If you have multiple libraries, you may 1) enter the data for the Service Outlet Information section directly into the survey as usual or 2) send Baker and Taylor the data for this section to be uploaded into Collect. If you choose to send your data for uploading, you must enter the data into the spreadsheet form available in the survey by clicking here. Complete this form and email it to bibliostat@btol.com and your data will be uploaded into Collect within 24 hours. The data will be loaded in the same order in which it appears in your file, so libraries should be in the correct order on the spreadsheet.
