Report holdings, additions, and subscriptions as of the end of the fiscal year reported in Part 1. Please click [here](#) to read general instructions before completing this section.

This section of the survey (2.1-2.22) collects data on selected types of materials.

It does not cover all materials (i.e., microforms, loose sheet music, maps, and pictures) for which expenditures are reported under Print Materials Expenditures, Electronic Materials Expenditures, and Other Materials Expenditures (questions 12.6, 12.7 and 12.8). Under this category report only items that have been purchased, leased or licensed by the library, a consortium, the state library, a donor or other person or entity. Included items must only be accessible with a valid library card or at a physical library location; inclusion in the catalog is not required. Do not include items freely available without monetary exchange. Count electronic materials at the administrative entity level; do not duplicate numbers at each branch.

Please share with us your suggestions for improving the Annual Report. When providing feedback, if applicable please indicate the question number each comment/suggestion refers to. Thank you!

I think one thing that would help is if there weren't changes every year to the report. If one tries to spend the year collecting data for questions asked last year and then you find that you need a whole different set of data it is discouraging and difficult.
