Report holdings, additions, and subscriptions as of the end of the fiscal year reported in Part 1. Please click here to read general instructions before completing this section.

This section of the survey (2.1-2.22) collects data on selected types of materials.

It does not cover all materials (i.e., microforms, loose sheet music, maps, and pictures) for which expenditures are reported under Print Materials Expenditures, Electronic Materials Expenditures, and Other Materials Expenditures (questions 12.6, 12.7 and 12.8). Under this category report only items that have been purchased, leased or licensed by the library, a consortium, the state library, a donor or other person or entity. Included items must only be accessible with a valid library card or at a physical library location; inclusion in the catalog is not required. Do not include items freely available without monetary exchange. Count electronic materials at the administrative entity level; do not duplicate numbers at each branch.
