11.16 Income from Investments

Note:

11.23 From Other Funds

Note: Incorrect ending balance was recorded in 2017. The 2017 correction/change to the beginning balance was an attempt to correct a long-standing error, but the correction was less than it should have been. Our Director was out on medical leave in early 2018 (and subsequently never returned) and could not complete the report. (2) board members stepped in to help complete the report. They did not completely understand the process for calculating the correct ending balance in the Operating Fund accounts and did not include restricted operating funds in the main operating account (ie: donations specifically designated to purchase materials which are segregated into a sub account for tracking purposes) nor the amount in our operating savings account. The amount reported was $75,734, but should it have been $208,364.
