

# The Nate & Kate Kids Show

# NATE THE GREAT

"Nate & Kate performed at our library during our 2015 summer reading program. The library was filled with children of all ages! All were delighted with Nate & Kate's songs, music, and Nate's juggling show! It is always a great feeling when we have a library filled with kids who are thoroughly entertained! Their show was a great addition to our summer reading program and we would love to have them back sometime soon!"
