11.25 BALANCE IN OPERATING FUND -
Beginning Balance for Fiscal Year Ending
2019 (Same as Question 12.40 of previous
year if fiscal year has not changed)

Several years ago, most likely between 2011 and 2012, operating funds that had been held in short term savings (e.g., savings accounts, CD's, and money market certificates) were transferred to long term investment accounts. These transfers out of our operating funds were not properly reflected in subsequent annual reports. After review, we are adjusting the beginning balance in the operating fund to reflect the correct balance. (per NYSL 2-12-20)
