

**Annual Report for Public & Association Libraries 2020  
Outline of Major Changes**

**Following are changes to the 2020 Public & Association Library Annual Report – Questions and Instructions**

**IMPORTANT:**

- To avoid loss of data, only one person at a time should be logged into a member library report. Multiple people logged into the same report will cause data to be lost.
- Libraries should not have reports from two different years open at the same time.
- All libraries will continue to use the new version of Annual Report software called CollectConnect to enter their 2020 data. The new version features enhancements based on user feedback. It is more intuitive, is ADA compliant, and is compatible with major browsers including Google Chrome, Mozilla Firefox, and Internet Explorer.

**OTHER NOTES:**

- Please expect a minimal amount of re-numbering due to questions added or re-ordered since the 2019 Annual Report. Not all instances of re-numbering are noted in this outline.
- Please see updates in Instructions and rewording in questions and Instructions. Not all changes are noted in this outline.
- Instructions intended for more than one question are marked as such.
- Responses to new questions requiring numerical data may be estimated or left blank for the first year.
- New COVID-19 questions will appear in Part 8- Public Service Information as Part 8A
- Reminder: All Notes are now encompassed in one note field (rather than Federal/State/Local).
