Please share with us your suggestions for improving the Annual Report. When providing feedback, if applicable please indicate the question number each comment/suggestion refers to. Thank you!

I feel it was an injustice the way the questions were for the report. We were told that curbside service was going to count. But then no it wasn't. We were told to keep track of how many times the videos that we painstakingly did were viewed and then it didn't matter. I think it would be invaluable if you had librarians and youth librarians make up a report. I also feel like every librarian that I know has worked harder and longer during this pandemic but this report does not show that.
