1. GENERAL LIBRARY INFORMATION

1.46 For the reporting year, has the library experienced any unusual circumstance(s) that affected the statistics reported (e.g., natural disaster, fire, closed for renovations, massive weeding of collection, etc.)? If yes, please annotate explaining the circumstance(s) and the impact on the library using the State note; if no, please go to Part 2, Library Collection.

State Note: The library was closed for 10 days for renovations. Patrons were unable to use the library or any of its services during that time. No books were checked out, computers were not used and interlibrary loan was suspended during this time. This was the cause of our circulation numbers to be lower and library use to be lower.
