# **Dies and Die Cut Machines**

## **Policies:**

- Dies and machines are intended for library programs and are not for patron checkout.\*
- The dies and machines are EXPENSIVE and should be packed up the way they were shipped to you: In a box with bubble wrap or in the toolbox. Your library is responsible for any damaged machines or dies.
- Every die and machine has a barcode and must be checked out like any other FLLS item. DO NOT REMOVE THIS BARCODE.
- Each die cut machine will be sent to the lending library upon request in its own container. Barcode is on the machine. Upon receipt, look at the **check in note**, it will tell you what goes along with the machine.
- Dies circulate for 3 weeks with NO RENEWALS. Renewals must be approved by the Youth Services department.
- Photos of all the current dies and machines are located at <http://www.flls.org/storytimeresources/>
- Please check in machine promptly after you finished using it. If you are in a rush for a machine and there are none available, contact the library that currently has it out and see if you can work something out. FLLS also has a machine that does not travel. You are always welcome to BYOP (bring your own paper) and do your cuts here. Call ahead FIRST and make sure the dies you want to use are in the building.

\*Agencies outside FLLS member libraries must get prior approval by FLLS to use these resources and must fill out the [Equipment Loan Agreement](#).
