Tracking - Reading & Learning Encouragement

**If you used multiple forms of tracking (two or more of: books, minutes, learning experiences), do not double count participants. The same participants do not get credit for multiple forms of tracking. You may count multiple forms of tracking as long as they are for different participants.**

- \* 7. Total number of individual children who registered for/participated in your summer program in 2019 (not program attendance):

- \* 8. Total number of individual teens who registered for/participated in your summer program in 2019 (not program attendance):

- \* 9. Total number of individual adults who registered for/participated in your summer program in 2019 (not program attendance):

If you held a reading encouragement program, answer question 12 or 13. Choose either *time* read or *books* read; leave the category that does not apply to your library blank.

If you held a learning encouragement program, skip questions 12-13 and go onto question 14 or 15. Choose either the *number* of activities completed or *time* spent completing activities; leave the category that does not apply to your library blank.

See definitions at the beginning of each set of questions.

**Reading Encouragement definition:** continuous throughout the summer, encouraging children to read or be read to by a caregiver and tracked by reporting minutes or number of books read.

10. If you tracked reading encouragement by *time* read:
