From The Director

I hope everyone is enjoying their August and end of summer. I will be on vacation Monday, August 12 – Friday, August 16th. There are two events coming up within the next month that we think you will be interested in:

New Yorkers for Better Libraries Ithaca Event – This is the first time our area is hosting a NY4BL event and we hope that you can join area library supporters for a fun trivia night. On Tuesday, August 27 at The Haunt (702 Willow Ave, Ithaca), there will be a Quiz for Libraries Night. This fun-filled evening of trivia and games will support the best cause of all – better funding for our New York State libraries and library systems. There will be a 90-minute professionally hosted quiz by Geeks Who Drink and some interactive games. Admission cost is \$15 online and \$20 at the door. Start time is 6:30 p.m. and the doors open at 5:30 to join a trivia team, plan your strategy, enjoy a drink and refreshments, and to participate in some pre-quiz games. All admissions and other proceeds will go directly to New Yorkers for Better Libraries, an organization that supports the State's libraries and library systems. Please consider registering today at: <https://act.myngp.com/Forms/8021982953439693568>

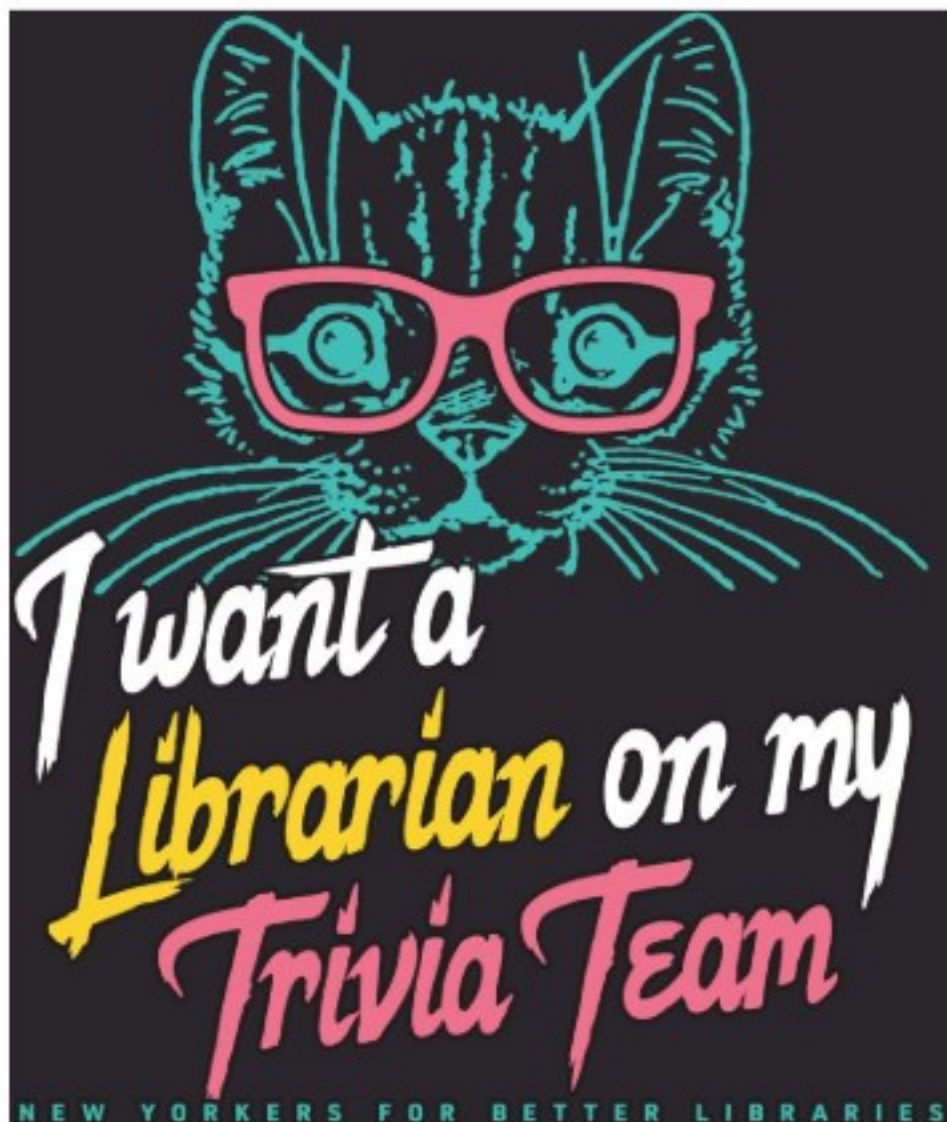

New York State Legislative Appreciation Reception – Our first legislative breakfast was so well received last September, we are bringing it back! Held on Friday, September 13 from 10 a.m. – 11 a.m. at the Tompkins County Public Library (BorgWarner Community Room), this reception is a way to celebrate library services in the Finger Lakes, Southern Tier, and Catskill library regions. It is the perfect opportunity for library staff, trustees, and supporters to thank our Senate and Assembly representatives for their support of libraries. Legislative representatives will also have an opportunity to speak about libraries and their reasons for supporting them. After the program, tours of the Tompkins County Public Library will be available for those interested. Please sign up for this free event at: <https://scrlc.org/events/view/6126>.

Also, please save the date for the following events:

FLLS Annual Meeting – Please save the date for the 61st Annual Finger Lakes Library System Annual Meeting on Friday, October 18. This year we are moving the meeting to Tioga County at the Shepard Hills Golf Club in Waverly. Please expect more information about the meeting in the coming weeks. A reminder that our annual meeting is for trustees, directors, library staff and library supporters.

NYLA Advocacy Day – It's never too early to think about library advocacy. Please note, the day of Advocacy Day in 2020 has moved to a Tuesday. NYLA currently has a "save the date" for Tuesday, February 25, 2020.

Enjoy your weekend!
Sarah

Weedsport Free Library

"On July 31st, Weedsport Library held a Stuffed Animal Sleepover! When the kids came (in their pajamas), they filled out name tags and permission slips for their animals. The permission slip questions told us what foods their animals liked, what they disliked and bedtimes. We had a bedtime themed story time and then tucked the animals in for the night. The next morning, the kids picked up their animals and watched a slide show of their antics from the night before. We had 7 kids attend. It was a lot of fun!" - Linda Quinn, Assistant Director at Weedsport Free Library

Introduction to Project Budgets

Wednesday, August 14, 2:00pm

Are you ready to start fundraising for your project or idea, but don't know what and how much to ask for? If preparing a budget for your foundation grant is holding you back, come learn the basic elements of how to draft a project budget with confidence. This class will provide you with step-by-step instructions on how to generate a standard project budget for a foundation proposal. We will discuss:

- The basic components of a project budget including income and expenses
- How to estimate the realistic cost of a project
- What other financial documents you may also need to submit with your proposal

Classroom attendees: Get started on your own project budget! Join us for an optional 30-minute exercise after class.

Email marketing and consumer expectations

Tuesday, August 20, 2:00pm

Explore ways to improve the results of your library's email marketing efforts. What goes into a successful email marketing and communications strategy? Does your library have one? Where are you in the process? If you don't have one, what does your library need to get started? Join OCLC Digital Marketing Specialist, Lindsey Casto as she shares key marketing trends and explores what today's customers expect from marketer.

Balloon Towers 🎈

“Tonight our Teen Advisory Board members practiced team building (with a little engineering thrown in) by working together to create the tallest free-standing balloon tower structure. They could only use balloons, scotch tape, and their minds!”
- Homewood Public Library, Alabama

Encourage creativity and team building with balloon towers. All you need are balloons and tape. Challenge your older kids and/or teens to design the highest, free-standing balloon tower structure.

Awards, Contests, & Grants

National Leadership Grants for Libraries

Deadline: September 27

National Leadership Grants for Libraries (NLG-L) support projects that enhance the quality of library and archive services nationwide by advancing theory and practice. Successful proposals will generate results such as new tools, research findings, models, services, practices, or alliances that will be widely used, adapted, scaled, or replicated to extend the benefits of federal investment. This work may be achieved through proposals at various stages of maturity (exploring, piloting, enhancing, or scaling).

All applications must designate one of the following project categories: Lifelong Learning, Community Catalysts, & National Digital Infrastructures and Initiatives.

The application process for the NLG-L program has two phases. In the first phase (Preliminary Proposal phase), all applicants must submit a two-page preliminary proposal by the deadline listed above. Selected applicants will be invited to submit full proposals in the second phase (Invited Full Proposal phase) of the process. Only invited full proposals will be considered for funding. Invited full proposals will be due March 30, 2020.

Grant Amount: Planning Grants: up to \$100,000. National Forum Grants: up to \$150,000. Project and Research Grants: up to \$1,000,000.

The Conservation Preservation Discretionary Grant Program

Deadline: November 8

The New York State Program for the Conservation and Preservation of Library Research Materials provides \$500,000 each year for preserving materials in the collections of libraries, archives, historical societies and similar agencies. The grant awards for 2020-2021 will be limited to a minimum of \$2,500 and a maximum of \$40,000.

The Conservation Preservation Discretionary Grant Program guidelines and online grant application for 2020-2021 are now available at <https://eservices.nysed.gov/ldgrants>. If you do not currently have a user name and password to access the online application please go to www.nysl.nysed.gov/libdev/cp/index.html and submit the account registration form.
