Re: Job Change for Arlene Krebs

Arlene Krebs started the part-time position of ILL Assistant on Monday, August 1, 2022. This position is in addition to her part-time shelving page position. Arlene's workweek will be twenty-five hours per week as the ILL Assistant and ten hours per week as a shelving page position, equaling a full-time position of thirty-five hours per week. Both positions are covered by the Bargaining Unit.

Arlene joined Finger Lakes Library System as a shelving page on February 17, 2015. Since then her work with us has been invaluable to our member libraries in helping make our delivery system run smoothly. We welcome Arlene to the ILL Assistant position, which will allow us to bring back out-of-system interlibrary loan for the first time since March 17, 2020.
