Greetings Sarah,

This is my two-weeks notice for my position as a shelving page. Thank you for the experience of library employment. I will finish off my two weeks before or by July 11th, to help keep things going while a replacement is hired or plans are otherwise made to cover my departure. Fingerlakes has truly been a wonderful place to work and I will miss it greatly. Thank you once more for the wonderful opportunity.

Sincerely,

Christina Wildridge
