

## 2023 SUMMER READING TABLE TALKS AND ACTIVITIES

11:00 AM-12:00 PM

### Club Cricut with Sabrina Hoster

Come hear Sabrina chat about her successful Club Cricut program at the Seneca Falls Library. And why not make some stickers while you're at it!

### Decodable Collections with Beth Bevars

Phonics is the talk of this table! Beth will be on hand to show and tell about the Lodi Literacy Hub collection and her library's work with Teach My Kid to Read.

### FLLS Collection with Jenny Shonk

Die-cuts, Puppets, Storytime Boxes, Book Kits and more will be available to borrow. Rumor has it there may even be a Karaoke machine.

### SEAL Solar Eclipse Station

Get some sun-sensational eclipse programming ideas and stock up on eclipse glasses. (We ordered 9000 pairs of glasses for the upcoming events.)

### Summer Swap and Share and Ithaca Fixers Collective

Swap extra craft/program materials and books. Share programming ideas. Meet Bruce from the Ithaca Fixer's Collective and get ideas for starting a repair cafe at your library. Join the Repair Revolution!

Note: Presenters and Performers will also be available to connect with during this time.
