A Note From Our Director

The Clifton Springs Library accomplished quite a bit in 2018! We started the year by launching a new website and momentum built from there. Highlights include:

- Started circulating Museum Passes
- Hosted two traveling exhibits, Women's Suffrage & Two Hundred Years on the Erie Canal
- Conducted "Sour Science" experiments at the FLX Maker Fest
- Relocated the Large Print collection to a bigger, more accessible space
- Presented Summer Reading performances by Charlie & Checkers, The Spoon Man, & Two Herons Drum Circle
- Welcomed visits from Assemblyman Kolb and Senator Helming
- Facilitated a fall Voter Registration drive
- Participated in Clifton Springs' Sulphur Springs Festival, Spooktacular, & Festival of Lights

The information compiled in this report demonstrates what a vibrant library community Clifton Springs has, and the staff and I are looking forward to another successful year.

—Suzanne Macaulay
