Memo

From: Sarah Glogowski

Re: Hiring of Tanner Carlson

Tanner Carlson started employment as a shelving page on Monday, August 28, 2023. Tanner is a current library school student and has previous paging experience in both an academic library and a public library. Tanner has been a quick learner and is a welcome addition to our staff at Finger Lakes Library System.

Thank you,

A handwritten signature in cursive script that reads "Sarah Glogowski".
