Finger Lakes Library System

“To stimulate, coordinate and strengthen library and information services within Cayuga, Cortland, Seneca, Tioga and Tompkins counties.”

About Us

We are a non-profit regional cooperative library system serving public libraries in Cayuga, Cortland, Seneca, Tompkins, and Tioga counties. The System, chartered in 1958 by New York State, is mainly supported by state funds.

The services we provide to member libraries are broad in scope; providing advice, leadership and direction on the daily issues and concerns they face daily.

Commitment to Inclusion, Diversity, Equity, & Accessibility

We encourage and empower I.D.E.A.S. -- Inclusive, Diverse, Equitable, & Accessible Services--at our system headquarters and 33 member libraries;

Programs, collections, and services at our system and at our member libraries should reflect the communities that we serve. Our libraries are for everyone. View our full statement on our website:
