Weedsport Free Library	Nicole Quinn	\$2000	Thank you so much! This is amazingly generous of FLLS!
Apalachin Library	Tracy Savard	\$2000	As a new director, it's been a challenge to stay within my book budget as I work to stock the shelves with new releases and also fill gaps in our collection while also staying on top of book challenges in local schools (and getting those books in question in our library so our community continues to have access to the books). This extra money would really go a long way to hold us over until 2024! Thank you in advance!!
