Hi Sarah,

It is with regret that I write to inform you I'll need to step down from the board. This has nothing to do with what transpired with Jim; it's just a reality check on my work schedule these days. I've continued to take on more responsibility at BTI and it's time I admit that I'm doing a disservice to FLLS (and our wider community) when I'm so frequently absent from the good business of serving our public libraries.

I assure you I'd welcome you reaching out if there is ever an ad hoc need I could help fulfill - but my limited availability just makes trustee-ship impossible for now.

It's been such a pleasure. You know how much I value public libraries and I've appreciated standing alongside you all in this work.

How should I proceed? I haven't yet reached out to Marty or anyone else. I would be happy to work with Cynthia on recruiting for my replacement (although, knowing her, I'm sure she doesn't need my help!).

Stay warm on this snowy day, with gratitude,  
Liz
