Please share with us your suggestions for improving the *Annual Report*. When providing feedback, if applicable please indicate the question number each comment/suggestion refers to. Thank you!

The report seems to change mid stream. While trying to keep up with data collection, especially for programs, the metrics are not consistent. It is an onerous process for small libraries with limited staff that are trying to maintain programming and grant requests and staff management and open hours for the public to have to do the report with so much detail.
