Please share with us your suggestions for improving the Annual Report. When providing feedback, if applicable please indicate the question number each comment/suggestion refers to. Thank you!

The form is redundant and onerous especially in program counts and definitions. In addition, it seems that the definitions change for many of the items year to year, which makes it challenging to keep up. I don't feel the form accurately reflects the qualitative work of our libraries in the midst of all the numerical counts. It is also quite a time consuming process.
