Please be advised Bibliostat CollectConnect is now using a new interface. If you have accessed or if you believe you may have accessed the old Bibliostat Collect, please click the new link here and you will be taken to the new interface. Please be sure you exit and close the old Bibliostat Collect before you begin your survey.

To avoid loss of data, only one person at a time should be logged into a member library report. Multiple people logged into the same report will cause data to be lost. Libraries should not have reports from two different years open at the same time.
