10.3 If your library has a range, how many voting positions are stated in the library's current by-laws? If a range is not stated, enter N/A.

Our by-laws only state that each member of the board is entitled to vote. I have not found any evidence in any copy of our charter where it says how many voting positions we have. We had an amendment in 1983 that placed our board size at a range of 5-25 with 7 members currently serving on the board. Charter amendments in 2006 and 2023 changed our board terms to 3 years and specified changes to our chartered service area.
