NOVELNY

NOVELny: Statewide Access to Electronic Information from the New York State Library

Overview

Provided by the New York State Library, NOVELny is an online virtual library connecting New Yorkers to 21st century information via libraries and library systems statewide. NOVELny is an electronic resource access project that enables libraries across New York State to give their communities online access to the full text of thousands of journals, newspapers and other references. Currently, NOVELny provides online access to the following database products:

Britannica Digital Learning

Britannica Academic

The rich combination of the venerable Encyclopedia Britannica plus Merriam-Webster's Collegiate Dictionary, magazines and periodicals, and many other research tools provides the variety of reliable sources that college students need to consult when conducting thorough collegiate research—all from one resource. Articles provide high-quality, comprehensive, trusted information with balanced, global perspectives and insights that users will not find anywhere else.

Britannica Escolar

Discover the leading knowledge-building resource that is universally trusted for accurate and age-appropriate content in Spanish. New features make it more valuable than ever for native Spanish speakers, bilingual students, and students learning Spanish.

Britannica School

A source for all grades (Pre-K-12) and all reading abilities. Offers thousands of up-to-date, curated, and curriculum-relevant articles, images, videos, audio clips, primary sources, maps, research tools, recommended web sites, and three separate databases—Elementary, Middle, or High.

Gale, a Cengage Company

Gale Academic OneFile Select

Resource for academic research includes scholarly journals and selected general interest titles in a wide variety of subjects. Ideal for smaller academic libraries and high schools.

Gale Business: Entrepreneurship
