Re: Hiring of Nicholas Cisco

Nicholas Cisco has been hired for the Integrated Library Services Administrator position at Finger Lakes Library System. His start date will be September 28, 2026. Nicholas most recently worked at SUNY Geneseo Milne Library and has also worked at the Smt. Gnanapurani Madhvanath Memorial Library and RIT Libraries in the Rochester area. Nicholas has experience in ILS work, access services, resource sharing, collection management and acquisitions, as well as technical experience with LAN networks, Python and SQL coding. We look forward to having Nicholas join our staff at the end of September.

Thank you,

A handwritten signature in blue ink that reads "Sarah Glogowski".
